

JEWISH LEARNING LAB for ADULTS 2022-2023

In the Jewish world, learning is a lifelong experience. We hope you'll find one or more courses that pique your interest. We are hoping that classes will meet in person this year and that courses other than Israeli Dancing will have a Zoom option as well. Watch your weekly eblast for details.

If you are not currently receiving our weekly email or if you have any questions, please contact our educator, Karma Lindner, at 209.477.9306, x302 or office@templeisraelstockton.com

Some courses require or suggest textbooks. We encourage learners to purchase them in their preferred format (hardcopy, paper, Kindle, Audible, etc.) or to check with their local lending library, Libby, or other app. If you need assistance with purchasing a text, please contact Karma.
