*Our synagogue is more than a new building, a service, a school, or a set of programs. Our members come from all over the world and represent a variety of Jewish thought and practice. With membership, we commit ourselves to a journey of discovery where each of us, in our own way, deepens our connection to Judaism and our ties to Israel. Some of us will discover greater Jewish meaning in Torah classes, some by making new friends, some from worship and celebration, and some through acts of Tikkun Olam (Social Justice). Temple Israel supports Jewish creativity. Join us and we'll help you discover your unique path.*
